Dear Parents and Carers,

As we start a new year, and following our first successful KS3 Parents' Forum before Christmas, we would really welcome your taking the time to complete your answers to the questions on the [Ofsted ParentView](#) survey.

Some schools favour creating their own survey, but for us, it makes sense to use the template that's nationally regarded. Your reflections and perceptions of our school are very important to us, and we look forward to continuing to engage with you on all aspects of school life. If you have a specific comment or concern on your mind at the moment, please get in touch with one of us in the usual ways - we would hate for anything to wait for a survey collation to take place.

Thank you very much indeed, in advance, for your care and attention to this, and I look forward to sharing our findings and actions before the Half Term break in February.

Miss K Marshall, Headteacher
