

## Parental Setup – Visual Guide

ePraise is a new system we are using at Noadswood School to communicate with you. It will be how parents' evening appointments are booked, as well as how messages are sent out and permissions for events given. It will also show you all the praise points your child has got each day, including Star Trekking, merits, determination in class, participation in events etc...

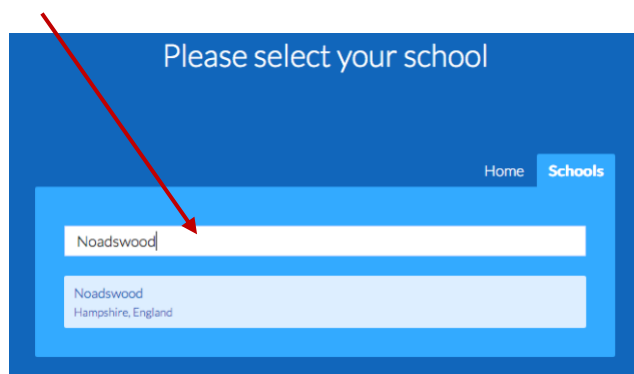

It is a really simple and intuitive site to use and can be accessed from a computer or via the app for iOS or Android. Just search for **ePraise** in your store...

To get started, either download the app or visit [www.epraise.co.uk](http://www.epraise.co.uk) and choose **login**

From here, enter **Noadswood** as the school

Noadswood School

Finally, ensure you are in the **Parent** tab and then enter your **email** (the official one you have supplied to Noadswood which is used for contact) and **password**

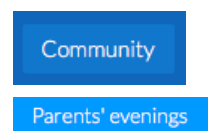

\*If this is the first ever time you've logged in, **leave the password BLANK** (and this is what you should do if you've forgotten your password)

The screenshot shows the Noadswood website's 'Parents' tab. It features a navigation bar with 'Home', 'Schools', 'Parents' (highlighted), 'Governors', and 'Login'. Below the navigation bar is a light blue box containing the login form. The form has two input fields: 'Email' and 'Password'. A red arrow points to the 'Email' field. Below the fields is a blue button labeled 'Login / Register'. At the bottom of the box, there is a note: 'Leave the password blank if you have not yet registered or have forgotten your password.'

There are bespoke guides which will be sent out explaining how to use the **messaging** system

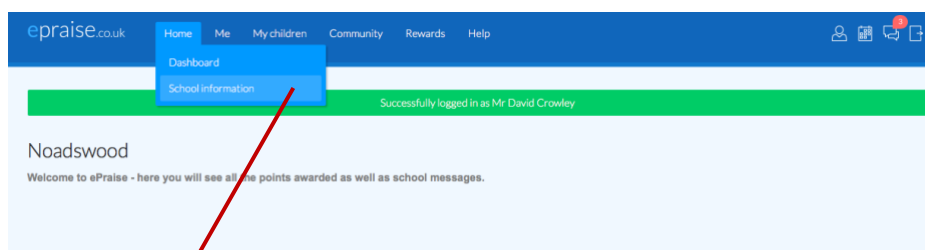

As well as how to book **parents' evening** appointments

The screenshot shows a light blue box for 'Year 7 Parents' Evening'. It includes the date and time: '16:30 - 19:30 Tuesday 31st March 2020'. Below this is 'Year 7' and '0 appointments booked'. A yellow pencil icon is in the bottom right corner.

There is also the '**School information**' button which has links to all the letters, the school map, the events map, the calendar, permission forms for trips, online payments, app guides (such as this one) and lots more!
