

EARTH DAY 2022

INVEST IN OUR PLANET

Friday 29th April 2022

What will you do?

Earth Day is marked every year

At Noadswood we have decided to mark it on Friday 29th April and we'd love it if you would get involved!

Click link below for 52 ways **YOU** can make a difference

[Earth Day Tips | Earth Day Network](#)

Participate in Environmentally conscious lessons across school

Some teachers will be planning lessons with an Environmental focus, others will be looking to use less energy to deliver their lessons

You can make choices that are better for the environment on 29/4

Suggestions include:

- Walking to school
- Using a refillable bottle
- Avoiding single use plastics
- Use bins – even if there isn't one right by you!

Take part in The Big Plastic Count

Click link below to watch a video about the count

[How to take part in The Big Plastic Count - YouTube](#)

Simply complete the tally chart given to your tutor in their pigeon hole to record how much plastic waste your tutor group generates over the whole week between 25th and 29th April – we will collate this information and pass on to Greenpeace

We are doing this ahead of time – you can also take part at home from 16th – 22nd May 2022

Go to the The Big Plastic Count website to sign up (it's free!)

Make more of an effort to care for the environment today and everyday

- Put rubbish in bins (even if it's not yours!)
- Seek out the bottle top/pen recycling points around school
- Turn lights off
- Turn off computers properly

On Friday 29th April:

Wear something in an Earthy colour: Green, Blue, Brown

Or, wear something old!

Donate £1 towards buying some recycling bins for the school site

This is on Scopay
