Where our pupils travel from	We are a comprehensive secondary school full of around 1000 fabulous 11-16 year old students, situated in a pleasant village, a short distance from the New Forest and the Waterside, on a large, green site. We have very well-appointed facilities including dedicated teaching spaces for all specialist subjects. The majority of our pupils come from the village of Dibden Purlieu, and surrounding villages of Hythe, Dibden, Holbury and Blackfield, but some come from further afield such as Marchwood.

Transportation Links	
Buses*	We have various bus routes that serve the local area. The Hythe circular buses (H1 & H2) stop on North Road, outside the school. Bus routes 8 & 9 stop a short walk away from the school on Upper Mullins lane, or Beaulieu road for any pupils travelling from slightly further afield.
Rail*	None
Roads*	The site is access by vehicle on North Road via our entrance gates. We have a one way system on site, meaning vehicles exit via out exit gates on Water Lane.
Walking Routes*	The site can be accessed on foot by a network of footpaths along North Road, Water Lane, as well as adjoining footpaths/cycle paths from neighbouring roads. We have pedestrian access alongside our entrance and exit gates on North Road and Water Lane, as well as an additional gates accessing our school field.
Cycling Routes*	The site can be accessed by bike by a network of local cycle paths including one directly outside our entrance gates joining Cleveland Drive and North Road, Roman Road, which joins Nash Road, a short distance from Noadswood, as well as other dedicated cycle paths in the area such as Claypits lane adjoining Southampton Road.

Other Information

STARS Routes to School Audit

The STARS Routes to School Audit has been designed to assist schools with identifying the sustainable travel and transport network that surrounds the school site. The audit is a great activity to conduct with your pupils and will count as evidence towards the 'Consultation Initiatives' in your Action Plan.

Name of road (main gate)	North Road
Name of other roads surrounding the school	Water Lane Nash Road
Date of assessment	03/02/2022

Current Travel & Transport Issues				
Category	Date Issue Identified	Details of Issue / concern	How the issue / problem was identified	Possible Solutions
Road Safety		The cross roads between Water lane, Nash Road, and North Road are particularly dangerous as we have cars coming from all directions, as well as pupil walking and cycling into school. Parents tend to stop briefly and drop their children off, then move off again, meaning a constant movement of traffic starting and stopping.	Observed by staff who monitor the junction each morning and afternoon.	Encourage parents to park and stride from Oak Road car park if they must drive to school.
Road Safety		Parents turning in the entrance gate area.	Observed by staff.	Inform parents not to use area to turn around. They can use the drop off zone if needed.
