

Noadswood (Single Academy Trust)

Scheme of Delegation September 2022

Next Approval: September 2023

Introduction

Noadswood School ("the Trust") is a single academy trust for secondary aged children in Noadswood, Hampshire. It is a company registered by guarantee and an exempt charity.

Our Board of Trustees is accountable in law for all decisions made by the school. The Trustees of the school are also the Directors of the charitable company. They also carry out the functions of a traditional school governor. However, this does not mean that the full board is required to make all the decisions relating to the school. Many decisions can be delegated to the headteacher, who is the senior executive leader in our Trust, Trust Board Committees, and individual Trustees. This Scheme of Delegation sets out the Board's decision to delegate certain powers and decision making to various layers of our governance. Some decision making is determined by company law, other decision making is determined by the Trustees to ensure it is fit for purpose in operating our school.

Once determined, our Scheme of Delegation ('SoD') will be published on our website.

What is the purpose of our SoD?

A Scheme of Delegation (SoD) is the key constitutional document defining which functions have been delegated and to whom. This general SoD covers all decision making in the Trust and should not be confused with the written Scheme of Delegation of Financial Powers referred to in the Academy Trust Handbook ('ATH). The Trust maintains a separate Financial Scheme of Delegation to comply with the requirements of the ATH.

Our SoD ensures the efficient operation of the Trust can be carried out day-to-day without all decision requiring Board approval. It places trust in those that power and decision-making authority is delegated down to, but also evidences clear lines of accountability so that the Board can monitor decision making and hold decision makers to account.

Review and Variation

The SoD will be reviewed annually by the Board. The Trustees reserve their right absolutely to revise the content of this SoD at any time and for any reason they see fit

Governance roles

Members

The Members are the guardians of the Trust. Originally, they will have been the signatories to the Memorandum of Association and will have agreed the Trust's first Articles of Association. The Articles of Association will also describe how members are recruited and replaced, and how many of the Trustees the Members can appoint to the Trust Board.

The Members appoint Trustees to ensure that the Trust's charitable object is carried out and so must be able to remove Trustees if they fail to fulfil this responsibility. The Board will submit an annual report on the performance of the Trust to the Members. Members are also responsible for approving any amendments made to the Trust's Articles of Association.

While Members are permitted to be appointed as Trustees, in order to retain a degree of separation of powers between the Members and the Trust Board, and in line with DfE expectations, the Trust will retain a majority of independence in its members from the Board. Our Articles of Association prohibit employees of the Trust from being members.

Trustees

The Academy Trust is a charitable company and so Trustees are both Charity Trustees (within the terms of section 177(1) of the Charities Act 2011) and Company Directors. As Trustees are bound by both charity and company law, the terms 'trustees' and 'directors' are often used interchangeably.

Our Trustees are responsible for the strategic direction of the Trust. In accordance with the provisions set out in our Articles of Association and our funding agreement with the Secretary of State, the Trustees are legally responsible and accountable for all statutory functions and for the performance of the Trust. Trustees must also comply with the ATH in the financial management of the Trust.

The Board of Trustees has the right to review and adapt its governance structure at any time which includes removing delegation.

Trust Board Committees

The Trustees have the power to establish committees to carry out some of its governance functions when a more focused approach is necessary. A committee's membership and responsibilities are set out in the committee's Terms of Reference.

The Trust has Finance, Audit and Risk, General Purposes, Pay and Personnel and School Improvement Committees.

The Senior Leadership Team

The Headteacher has the delegated responsibility for the operation of the Trust. He/she is the Accounting Officer so has overall responsibility for the operation of the Trust's financial responsibilities and must ensure that the organisation is run with financial effectiveness and stability and securing value for money. As the Accounting Officer, the Headteacher is accountable to parliament.

Our Headteacher leads the Senior Leadership Team ('SLT') of the school. He/she will delegate management functions to the SLT and is accountable to the Trust Board for the performance of the SLT

Delegations

The tables that follow set out the current delegations of power and decision-making responsibility across the various layers of our governance.
