**January 2025**

Dear Parents/Carers,

## **Bikeability Courses**

We are pleased to inform you that we are working with Bikeability to arrange some course dates during the May half-term and summer holidays. These courses will provide students with the opportunity to complete either the Level 2 course or, if they have already completed this in primary school, the Level 3 course.

To help us gauge interest and determine how many students wish to participate, we kindly ask you to complete this short form: <https://forms.office.com/e/em52dr67pe>.

At present, the cost for the Level 2 course is £45.00. However, we are actively working with other organisations to secure funding that may help reduce this cost. For students who have already completed the Level 2 course and wish to progress to Level 3, this course will be fully funded by Bikeability.

Once we have an idea of the number of students interested, we will contact you directly with available dates. Should either course be oversubscribed, we will collaborate closely with Bikeability to arrange additional dates.

If you have any questions or would like to discuss these courses further, please do not hesitate to contact me.

Yours sincerely,

Marina Wyse  
School Business Manager
