

# Noadswood

February 2025

Dear Parents/Carers,

## **Air Ambulance basic lifesaving skills – Save a Heart Day for Year 11**

As you are already aware, Air Ambulance are dedicating a full day to come into school on Friday 14th February to offer parents and grandparents the chance to learn how to do CPR effectively and how to use a defibrillator.

The aim of this day is to boost the confidence of 120 people to either learn something new, or refresh what they have already been shown so that they can if needed, save a life. We have had a great response from parents and grandparents of Noadswood school, but still have 47 spaces to fill.

We are therefore opening up this opportunity for year 11 students to learn some basic lifesaving skills. We only have spaces available on the 2-3.30pm and the 5-6.30pm sessions. If your child would like to take part on one of these sessions, please could you complete this short form by Thursday 6 February: <https://forms.office.com/e/pTvPdOXvww>

If we have more students apply than spaces available, it will be decided by fair ballot as to who should attend. We will notify you by Friday 7th February if your child has been successful to secure a place and what time they should be attending.

Please feel free to get in touch with me if you have any further questions.

Yours sincerely

Marina Wyse  
School Business Manager
