Your Tutor

The role of the tutor is one of the most important jobs in the whole school.

Your tutor will see you every morning and will be the first person you can share any worries, concerns, success and good news with.

Your tutor group will be your little family within the bigger Noadswood community.

We encourage our parents/carers to keep in regular contact with your child/children's tutor.

OFSTED – NOVEMBER 2022

‘The school is a happy and friendly place to learn. Relationships between staff and pupils are strong and supportive’

‘Pupils are safe in the school. They say there is always somebody that they can talk to if they have a problem. They speak highly of the support they receive from the pastoral team. Pupils are encouraged to speak out against bullying. and staff usually deal quickly with any incidents when they do occur.’

The background features a light gray base with large, soft-edged organic shapes in muted red and olive green. A thin white line outlines a wavy shape on the right. In the top left, there is a faint, light gray sketch of a leafy branch.
