1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers
- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010
- Clarify our expectations for school uniform

2. Our school's legal duties under the Equality Act 2010

The [Equality Act 2010](#) prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender
- Make sure that our uniform costs the same for all pupils
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back)
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable
- Allow pupils to request changes to swimwear for religious reasons
- Allow pupils to wear headscarves and other religious or cultural symbols
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents to get in touch with Daniel Rowling who can answer questions about the policy and respond to any requests

3. Limiting the cost of school uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' ability to 'shop around' for a low price.

We will make sure our uniform:

- Is available at a reasonable cost
- Provides the best value for money for parents/carers

We will do this by:

- Carefully considering whether any items with distinctive characteristics are necessary
- Limiting any items with distinctive characteristics: for example, by only asking students to choose to wear either a blazer or jumper that features the school logo
- Limiting items with distinctive characteristics to low-cost or long-lasting items, such as ties

- Considering cheaper alternatives to school-branded items, such as logos that can be ironed on, as long as this doesn't compromise quality and durability
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes
- Keeping the number of optional branded items to a minimum, so that the school's uniform can act as a social leveller
- Avoiding different uniform requirements for different year/class/house groups
- Avoiding different uniform requirements for extra-curricular activities
- Considering alternative methods for signalling differences in groups for interschool competitions, such as creating posters or labels
- Making sure that arrangements are in place for parents to acquire second-hand uniform items
- Avoiding frequent changes to uniform specifications and minimizing the financial impact on parents of any changes
- Consulting with parents and pupils on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy

4. Expectations for school uniform

4.1 Our school's uniform

Black v-neck jumper with Noadswood logo and/or black Noadswood blazer

All students have the option to wear **either/or** the black v-neck jumper with Noadswood logo, or a black blazer with the Noadswood logo on the pocket. Students may also choose to wear both the jumper and blazer. No hoodies or zip up jumpers to be worn.

Plain white shirt

Plain white shirt with a collar and either short or long sleeved. No t-shirts or polo shirts.

Tie

Noadswood school tie with the coloured stripes of your House (prefects may wear the Noadswood prefect tie)

Black trousers

Plain black, tailored trousers. No jeans, leggings, tracksuit or corded type trousers.

Skirt

If you choose to wear a skirt, our preference would be for you to wear the Noadswood school skirt, which is available from Skoolkit and is embroidered with the Noadswood badge. As an alternative option, you can also purchase a similar style skirt from any highstreet retailer in black and then collect

a badge from the school office that can be ironed on to it. Skirts should be worn ideally at just above the knee, and never any higher than mid-thigh.

Shorts

Black tailored shorts can be worn throughout the year.

Socks

Socks must be white or black and a matching pair, to be worn below the knee. Tights must be plain in black with no patterns.

Shoes

Shoes are permitted only if they are **completely black**, including the soles, logo, laces and trim. Shoes should be in a leather type finish, not canvas/plimsoll material.

Shoes should fully enclose the foot, no sandals, flip flops, open toes or backless styles allowed for health and safety reasons. Footwear should not be a boot, platform style or have a high heel.

If there is a medical reason as to why a student is unable to wear school shoes, parents must contact your child's Year Leader, giving the reason and the expected date on which, their child will be back in full uniform. If you require financial support, please to contact our Pastoral Team.

- On the school premises
- Travelling to and from school
- At out-of-school events or on trips that are organised by the school, or where they are representing the school (if required)

Students are also expected to contact Assistant Headteacher Daniel Rowling if they want to request an amendment to the uniform policy in relation to their protected characteristics.

5.2 Parents and carers

Parents and carers are expected to make sure their child has the correct uniform and PE kit, and that every item is:

- Clean
- Clearly labelled with the child's name
- In good condition

Parents are also expected to contact Assistant Headteacher Daniel Rowling if they want to request an amendment to the uniform policy in relation to:

- Their child's protected characteristics
- The cost of the uniform

Parents are expected to lodge any complaints or objections relating to the school uniform in a timely and reasonable manner.

Disputes about the cost of the school uniform will be:

- Resolved locally
- Dealt with in accordance with our school's complaints policy

The school will work closely with parents to arrive at a mutually acceptable outcome.

5.3 Staff

Staff will closely monitor pupils to make sure they are in correct uniform. They will give any pupils and families breaching the uniform policy the opportunity to comply but will follow up with the headteacher if the situation doesn't improve.

Ongoing breaches of our uniform policy will be dealt with by our school in line with our behaviour policy.

In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.

5.4 Trustees

The board of trustees will review this policy and make sure that it:

- Is appropriate for our school's context
- Is implemented fairly across the school
- Takes into account the views of parents and pupils
- Offers a uniform that is appropriate, practical and safe for all pupils

The board will also make sure that the school's uniform supplier arrangements give the highest priority to cost and value for money, for example by avoiding single supplier contracts and by re-tendering contracts at least every 5 years.

6. Monitoring arrangements

This policy will be reviewed annually by Daniel Rowling. At every review, it will be approved by the full board of Trustees.
