

December 2025

Dear Parents/Carers,

Year 11 Personal Learning Reviews – January 2026

To provide our students with the opportunity to reflect on their progress in the autumn mock exams, we are inviting them to attend a personal learning review (PLR) with their tutor.

Between **Monday 19th January** and **Friday 23rd January** students will be given a 10min appointment with their tutor. These appointments will take place during the morning at either 08:35-08:45 or 08:45-08:55. The tutor will inform each student of their date and time slot.

During this fortnight students do not need to attend regular tutor time, unless they are meeting their tutor for their PLR, but all students are expected to be in school each day at **08:55** for registration. If for any reason your student needs to be in school at the normal time of 08:45, they can still go to their tutor room and use this as an opportunity to read.

During the PLR tutors will discuss with the students their progress report to date; the focus being the recent mock exams. Together with their tutor, students will be able to identify areas they need to improve and set themselves two academic targets and one personal target to help them move forward through the final leg of Year 11.

This will enable students to reflect with their tutor, to ask questions and seek guidance about any aspects of school life.

If you have any questions about the PLRs, please contact me or Mr Wilkinson as Year Leader of Year 11.

Yours sincerely

Miss J Skinner
Head of Geography
