

Noadswood

June 2026

Dear Parents/Carers,

Year 10 Brockenhurst College Taster Day

All students in year 10 are invited to join the College Taster Day at Brockenhurst College on **Friday 19th June 2026**.

During their visit, students will experience taster lessons and explore the college campus as well as having the opportunity to speak with students and staff. Clothing must be suitable for the weather and appropriate to wear. We also ask for students to bring a notepad and pen to make notes.

Due to travel costs, we ask that parents and carers drive students to the college so that they arrive between **8.15am-8.45am** and collect them at the end of the taster day at **12.30pm**. When students arrive, they must go straight to Reception where they will be directed to be registered. Where possible, we encourage students to lift share with friends to reduce traffic and to support other families in getting students to Brockenhurst. Students not attending this event **MUST** come to school as normal.

If you are happy for your child to attend, please log in to the Arbor app and provide your consent for your child to attend. If you are using a mobile phone to view the app, please turn the device to landscape and scroll to the bottom right of the page, select Trips and a new screen will show you the trip your child is being offered. Choose the trip and follow the details to provide consent. **The deadline for consent to be provided is Wednesday 10th June at 4pm.**

If your child was given consent to attend on the day but is then unable to go, please inform our attendance staff at school on attendance@noadswood.hants.sch.uk so that we can mark them accordingly. Students will be expected to be in school and follow their normal timetable if they did not sign up to attend the event.

Please could you check that your child's medical conditions are all up to date on Arbor before they go on this trip. To add new medical conditions, please go to Arbor and click on your child's profile, scroll down to the Medical Section and click on the **+Add** in the top righthand corner. Once finished, please click the update button. If you need to update what we already have on file, click on your child's profile and scroll down to the Medical Section. Click on the existing condition to update. Any submissions for medical conditions will take a few days to appear on Arbor as they will be reviewed by the medical team.

We always take seriously our responsibility for the safety and welfare of our students. This raises particular issues when students are involved in an activity off-site. Before taking students away from

the school site, we carry out a thorough risk assessment and take all necessary measures to minimize risks including arranging appropriate levels of supervision by responsible adults. We expect that students involved in the activity will cooperate fully with the arrangements made and follow closely the instructions of the responsible adults throughout the activity. We therefore reserve the right to refuse a place on the trip to any students where there has been a behaviour concern previously.

If you have any queries or concerns, please do not hesitate to get in touch at jclews@noadswood.hants.sch.uk

Yours sincerely

Miss J Clews
