

September 2026

Dear Parents/Carers,

Careers Fair – Wednesday 7th October 2026

We are inviting all students and their parents/carers, in Years 9, 10 and 11, to attend the annual Careers Fair on **Wednesday 7th October 2026**. This event will be taking place at **3pm-5pm** in the main hall.

The Careers Fair is a fantastic opportunity for you and your child(ren) to speak to local colleges, apprenticeship and T Level providers, as well as various employers and businesses. This will support students to find out more about career pathways and post 16 education routes. This comes at a particularly important point in the academic year; when Year 9 students begin considering their KS4 options, Year 10 students begin their KS4 courses and start looking ahead to work experience and college applications opening for Year 11 students.

All students in the school will be attending the careers fair during the day. We encourage students in Years 9, 10 and 11 to return to the fair from 3pm onwards. This will allow them to speak to any exhibitor they did not have time to speak to; ask any questions they have since thought of and to have conversations about their options with their parent/carer.

The careers fair is an invaluable opportunity, supporting students in making choices, that are right for them, when considering their next steps. We encourage students to still attend, even if they came along in previous years, as some courses may have changed and there may be businesses that were not previously represented.

Gordon Lewis, our Careers Advisor, will also be there to offer careers advice and answer any questions you may have.

If you have any queries, please do not hesitate to get in touch at jshah@noadswood.hants.sch.uk

Yours sincerely

Mrs Shah
